

CCSCNE-2006

College Computer Programming Contest

To enter the CCSCNE-2006 college computer programming contest, send this form and a check made out to CCSCNE for \$50. You must also register the three team members and an advisor separately using the registration forms for the conference. Students who are participating in both the poster contest and the programming contest need only register once for the conference. We do not anticipate having the space for second teams from any schools.
