

## CCSCNE Attendee Information

**Note:** April 15<sup>th</sup> is a Day of Silence on the Western New England campus, an event that represents that GLBTQA students, staff, and faculty should not feel they must be silent or be silenced based on their sexual orientation, gender identity, or gender expression. You may encounter students, faculty or staff who are supporting this effort by choosing not to speak for the day. Silence is broken at 3:00.

**Parking:** You may park in any non-handicapped spot on campus. Due to the large number of vehicles expected, campus police will not be ticketing regular spaces during Friday and Saturday. Please make sure to park in a legal space.

### Wireless:

The wireless account

Possible SSIDs: wnet, blake, sleith, stgermain, damore
